Beware: IRS-Impersonation Telephone Scam

Two resort residents have reported receiving threatening calls from someone claiming to be an IRS agent. Don't respond - it's a scam! The following is information from the IRS about this scam:

"An aggressive and sophisticated phone scam targeting taxpayers... has been making the rounds throughout the country. Callers claim to be employees of the IRS, but are not. These con artists can sound convincing when they call. They use fake names and bogus IRS identification badge numbers. They may know a lot about their targets, and they usually alter the caller ID to make it look like the IRS is calling.

"Victims are told they owe money to the IRS and it must be paid promptly through a pre-loaded debit card or wire transfer. If the victim refuses to cooperate, they are then threatened with arrest, deportation or suspension of a business or driver's license. In many cases, the caller becomes hostile and insulting.

"Or, victims may be told they have a refund due to try to trick them into sharing private information. If the phone isn't answered, the scammers often leave an "urgent" callback request.

"**Note that the IRS will never:** 1) call to demand immediate payment, nor will the agency call about taxes owed without first having mailed you a bill; 2) demand that you pay taxes without giving you the opportunity to question or appeal the amount they say you owe; 3) require you to use a specific payment method for your taxes, such as a prepaid debit card; 4) ask for credit or debit card numbers over the phone; or 5) threaten to bring in local police or other law-enforcement groups to have you arrested for not paying."

Wishing you and your loved ones a Blessed Christmas and a Happy New Year!

Suspicious Activity? We have had several reports of suspicious activity late at night, such as doors rattling, teens out in the street, unusual vehicle traffic, etc. Call Central Dispatch at **269-467-4195** to report **suspicious activity**. If you would like an officer to check up on you, ask them to come to your door. If not, they will cruise the area and shine their lights. **Emergencies dial 911.**

Don't Stack Trash on Dumpsters

Waste Management charges an extra \$75 per container for overflowing dumpsters. Help us avoid these outrageous charges! If your trash does not fit under a lid, set it to the side and we will add it later. **Do not pile trash on top of the lids.** Break down boxes, compact, reduce, reuse, recycle. Thanks!

Please don't feed strays: Feeding homeless cats attracts skunks, coons, & opossums, and encourages them to make their home under your home, where they damage heat tape, ducts, wiring and underbelly. Save yourself & your neighbors hundreds of dollars in repairs. **Never feed strays.** Check skirting to prevent critters from living under your home or shed.
