'Wizard of Oz' Touches Down

Poppies and Cyclones and Jitterbugs, oh my! The stage version of the *Wizard of Oz* lands at VHS on March 16, 17, 23 and 24 with a large cast of students filling roles of munchkins and Ozians and more.

Our exchange students, Tereza and Sofia, have multiple roles in this ambitious production. We were surprised to learn that the story is new to them; they had not even seen the 1939 movie until they were preparing for tryouts.

The musical includes dancing scarecrows, flying monkeys, lions and tigers and bears, and all the songs we love from the original (and a couple more). We hope you'll come experience the magic of this classic American story.

"Fly Me to the Moon" Set to Blast Off

Celebrating the 50th anniversary of putting a man on the moon, can the dimwitted crew take the same journey? It will be a truly lifting experience for all!

The Vicksburg Rotary Club presents their annual show on March 1-3 with a new format. The *Showboat* has been retired, and this year's program will be a *Showcase* of local talent, along with all the jokes, slapstick, and fabricated stories we expect and enjoy from our local Rotary Club. It's the group's biggest fundraiser, earning some \$15,000 annually for local service projects and scholarships. Tickets are \$10 and may be purchased online at www.vicksburgcommunityschools.org/PAC or at Church's Allstate Insurance Agency downtown.
