Sorry - the Resort cannot provide tables for your sale.

Dumpsters Are For Residential Trash ONLY

Do not put furniture, mattresses, tires, construction debris, lawn furniture, etc. in trash containers without permission! **Do not leave on the ground by dumpsters!**

Here's where you need to go:

Westside Landfill: 279-5444. Furniture, water heaters, mattresses, construction, demolition and remodeling materials.

County Hazardous Waste Collection: Oct. 19 from 8-noon @ Fairgrounds, Centreville: Appliances, tires, air conditioners, dehumidifiers, paint, pesticides, fertilizer.

Westside Landfill Quarterly Styrofoam Recycling: Oct 19 from 8 - noon. Take-out boxes, meat/fish trays, egg cartons

It is a lot of work. It's just not possible to do it for 250 families! **The only realistic system is for you to be responsible for your own stuff.** Thanks for all your efforts to protect our planet!

Phil's Corner

Thanks to everyone who came to the Appreciation Dinner last month. Special

thanks to all the Klines who pitched in - Mom and Dad, Carol, Kevin, Joseph, and especially kitchen masters Kim & Tim. Thank you to Lauren Cholometes & the Three Rivers girls volleyball team, who filled a big hole when the Mendon cheerleaders were not available. Kudos to our wonderful friends Shelly, Josh, Joe, Scott, Bruce, & Amy.

I hope you enjoyed the authentic Austrian folk music at the dinner. Joseph had fun trying out the alphorn afterwards. "Akkordeon and Friends" are playing at a number of Octoberfests in the area. Look them up on Facebook for a schedule or at these web sites:

www.einprosit.us or www.alphorngruppe.com

Della Watkins reports that nearly \$1,200 was raised at the "Homes for Our Troops" bake sale last month!

A big "thanks" to all who donated and purchased bake sale items!

Smile! We're preparing to update our web site, so we need pictures! Watch for Liz Weddon to be around shooting photos. Since graduating from VHS with Joseph she has become a graphic artist and web page designer. (Yes, she is Matt's sister).

The COA has announced a ribbon cutting for the "Rivers Enrichment Center" in Three Rivers on Sept. 6 at 2 pm. This is their new home base for meals on wheels, activities and senior housing. A couple of resort folks are looking at moving there.

The apartments are small but right in the middle of lots of activities and close to services. If you need assistance with any of your daily activities, this is a great option.

God Bless,

Phil

Storage Area Reminders

Fall brings lots of activity to the storage lot. Please follow these rules:

1. **Use only your assigned spot.** Only the office can assign a spot! No swapping or trading. If unsure of your number, call office.
2. Back squarely into space. **Center** boat on # attached to fence.
3. **Put your lot number** on trailer tongue where visible.
4. Don't overload your space. **8' wide limit!** Your neighbors need room to get in and out! **No freestanding shelters are allowed.**
5. **Improperly parked units may be moved and impounded.**
6. If someone is in your spot, **don't take another's spot.** Park in office lot until we can sort things out.
7. **Share the pontoon trailer!** 1 hour limit weekends. Report any problems. **Trailer may not leave the resort at any time!**
8. **License plates & boat tags** must be current.
9. **Tarps don't work!** Use shrink wrap or a custom fitting cover. A flapping tarp may damage another unit.
10. **Annual storage lot fees** are billed in October.

New Ministorage Ready!

The Mortan Building is ready for use! The barn has 19 rental storage spaces and a large space for resort equipment storage. Storage units have tons of room, with high ceilings and roll up doors. We have spaces available. See Tama to reserve a space.

NOTICE: If you are using a carport for anything other than cars, boats and trailers, now is the time to move your other items into proper storage. We are asking that all items not on wheels be placed in a locking storage space. Thanks!
