Phil's Corner

I smile when folks ask if things are getting quiet here. Quite the opposite; we're busy between now and year's end. The tree trimmers finished last week; next we have some 20 stumps to grind and clean up. The concrete contractor is finally coming; we plan to add sidewalks and a pad for the big tent in front of the clubhouse. The leaf crew is ready to begin, and soon after that we'll be snowplowing! So no, things don't get "quiet" yet!

Please do your part to get ready for ol' man winter. Drain your hoses, check heat tapes. Remove obstacles from your yard. Change your smoke detector batteries. Update winter emergency supplies.

We're planning some new activities with the COA in the coming months. For starters we'll be offering massage therapy at the clubhouse. Call COA for an appointment at 279-8083. We're also planning some "Lunch & Learn" classes, card making classes, and maybe a healthy cooking class. Watch for details tba.

The change in seasons certainly creates cause for reflection on a busy, satisfying year. Let's wrap up our work and get ready for the holidays!

God Bless, *Phil*

Funeral Committee News

The C&S Funeral Committee will provide a light luncheon for any of our deceased residents or former residents, if requested by their families. We will be asking for volunteers to help serve, prepare and cleanup. We will no longer be asking for food donations. Rather, all food will be purchased. Our budget will limit the amount we are able to serve and the menu provided. Questions? Call Becky Roberts 668-4419 or Barb Charvat 649-9053.

SNOWPLOW REMINDERS

Thanks for helping us clear the streets after a snow.

Please remember to observe these guidelines:

- **NO OVERNIGHT PARKING** on North Beach, Cherry Oak & N. Center St.
- **If >2" snow is forecast**, everyone should park on the same side of street. On **Pleasant Ridge and S. Center**, everyone should park on west side. Wait for plow to finish east side before moving over.
- **CAUTION:** Plow truck makes frequent stops, turns, and back-ups. Please avoid our blind spots & give us lots of room to work!
- We clear the main traffic areas first, then overflow. We do detail stuff last.
- **When going away overnight**, do not leave vehicle parked on street. Move to storage or leave key with a neighbor to move car.
- Early, wet snow that we expect to melt shortly will not be plowed, nor will snowfall under 2".
- Caution: Freeze/thaw conditions may create ice at intersections & roundabout! Drive with care!
