About Your RealChek Application

The sole purpose of the RealChek rental application process is to determine renting risks. The required information is often times used as a cross reference to insure that RealChek is identifying the correct person. The RealChek application is not used by this landlord/property manager for any other purpose.

This is what you need to do:

1. Each applicant must fill out a separate application form.
2. Write clearly so we can read your information. Be sure to sign both pages of the application.
3. Fill out all information requested on the application. This is especially important when we are contacting a landlord or family reference.
4. Be accurate and truthful because if you falsify any information, this may be used against you and may result in your application being rejected.
5. Do not modify or alter the application form, because the RealChek application is a standard form that is utilized to give all applicants the equal opportunity to rent.
6. If RealChek contacts you, please immediately call them back (1-989-723-1183, Extension 1, Tenant Records Department) so that your application can be completed as soon as possible.
7. Your completed application(s) should be signed and mailed, along with the appropriate fee, to **Klines Resort** at: **22260 Klines Resort Rd., Three Rivers, MI 49093**. Applications will not be processed until the fee is received. This is a non-refundable fee that is not applied to rent or security deposits. Payment of this fee does not automatically guarantee the rental of any space at Klines Resort.

Fees Effective January 2014 (subject to change)

Individuals \$47, Couples who have shared the same address for >2 yrs: \$74
