## SNOWPLOW REMINDERS

Thanks for helping us clear the streets after a snow. Keep in mind the following:

- **NO OVERNIGHT PARKING** on North Beach, Cherry Oak & N. Center Streets.
- If more than 2" snow is forecast, everyone on your block should park on the same side of street. Be prepared to move your car to the opposite side or to over-flow space when plows are working.
- We clear the main traffic areas first, then overflow. We do detail stuff last.
- If you are going away overnight, **do not leave vehicle parked on street.** Move to storage or leave key with neighbor.
- We will not plow wet snow that we expect to melt shortly, nor snowfall under 2".
- Freeze/thaw conditions may create ice at intersections & roundabout! Drive with care!

**CAUTION: Plow truck makes frequent stops, turns, and back-ups. Please avoid our blind spots & give us lots of room to work!**
