*Coming This Spring!*

### Melting Mann & Pedal Paddle Tour

We're excited about two new events coming this spring, and we need your help to get the word out. Whether you decide to participate, spectate, volunteer, or invite your family and friends, there's a way for you to get involved!

- ◆ Mark Wright is organizing the Melting Mann dirt bike race on March 9. Racing on 14 or 28 miles of hilly dirt roads in rural Cass County, they hope for as many as 500 racers their inaugural year. See Mark if you'd like to help. Registration is on their web site: [www.meltingmann.com](http://www.meltingmann.com)

Zong, Joseph & Emil help with SAG stop on 2013 Pedal Paddle Tour.

- ◆ The Resort is hosting the League of Michigan Bicyclers "Pedal Paddle" tour this May 16 -18. On Friday participants will meet here for registration, lunch and the first day of biking and paddling around Portage Lake. The Resort will offer tent camping on the lakefront for tour participants only. Volunteers are needed to help with Friday lunch,

dinner and ride marshals. Registration is at [www.lmb.org](http://www.lmb.org)

Registration is now open for both events, so be sure to spread the word to your friends and family.

## SNOWPLOW REMINDERS

Thanks for helping us clear the streets after a snow. Keep in mind the following:

- **NO OVERNIGHT PARKING** on North Beach, Cherry Oak & N. Center Streets.
- If more than 2" snow is forecast, everyone on your block should park on the same side of street. Be prepared to move your car to the opposite side when plows are working.
- We clear main traffic areas first. If more snow is forecast we will wait for it to stop before final cleanup. Call ahead if you need in storage areas.
- If you are going away overnight, **do not leave vehicle parked on street**. Move to storage or leave key with neighbor.
- We will not plow wet snow that we expect to melt shortly, nor snowfall under 2".
- Freeze/thaw conditions may create ice at intersections & roundabout! **Drive with care!**

**CAUTION: Plow truck makes frequent stops, turns, and back-ups. Please avoid our blind spots & give us lots of room to work!**
