Activities Are Back!

Effective June 22, the state adopted federal guidelines for COVID-19. The CDC standards allow **fully vaccinated** people to resume most activities without social distancing or masks. How-

ever, **unvaccinated people are still advised to wear a mask and social distance**, and should avoid certain high risk activities such as indoor group exercise, singing indoors, or attending crowded events whether indoors or out. As a community, we will continue to avoid high risk activities and encourage safe practices. **Here's the plan for July:**

- ◆ **Cards and other routine activities may resume, but unvaccinated people must wear a mask indoors.**
- ◆ **Saturday coffee hour may move back indoors.**
- ◆ **No indoor group exercise. Yoga OK with 6 ft. isolate**
- ◆ **Private parties may only reserve the tent.**
- ◆ **Pancake Breakfast: Only vaccinated volunteers may help.** Breakfast will be offered "To-Go" or dine in.
- ◆ **COA Box Lunches will be served in dining room.** Unvaccinated people must wear mask except while eating.
- ◆ **Appreciation Dinner will be under the tent in August.**
- ◆ **Whether vaccinated or not**, if anyone has symptoms of Covid-19, they must isolate and should get tested.
- ◆ **Please stay at home** if you have been exposed, or if you have any of the warning signs of Covid-19!
- ◆ **If you are unvaccinated, we ask that you wear a mask at the clubhouse and office.**

Thank you for your understanding and cooperation!

Retired taxidermist Jim Norris caught this 46", 20# northern last July during a heavy down-pour while tied to his marina dock! Jim tried to release the fish 3 times, but when it didn't survive he decided to mount it. See Jim at lot 171 to hear "the rest of the story!"

Thanks for sharing, Jim!

Welcome to Bailey Way! An impromptu ribbon cutting opened our new golf cart path between lots 220-221. Betty Bailey snipped the honorary ribbon. Betty says, "For 30 years I've been asking golf carts to keep off my grass!" Perhaps we need some Burma-Shave signs like: "If you.. don't stay.. on the path.. Best get.. ready.. for a bath!" Or maybe, "If your puppy.. Leaves some poo.. Clean it up, or.. Shame on you!"

Jottings...

Thermal Grocery Bags \$7 from any C&S Board member. Insulated, zippered, heavy duty...

Dumpsters: Do not overfill! If the first place is full, look for another so lids lay flat. We are charged \$120 extra for each overfilled container!

Rusty Water? Run a **COLD** water tap until clear. *Rust is caused when mineral deposits inside water lines break loose during high volume flows. If the problem continues, stagger watering times in your neighborhood so everyone isn't sprinkling at once.*

Digging? Dial 811 at least 3 business days before work to locate utilities, **AND call office.**

Sew & Sews are meeting at 9am on Wednesday. Questions? Call Christy 649-4203

Next Foot Clinic: Aug 2-3. Sign up CB.

Phil's Corner

The tornado siren was a rude wake up call at 1:30 am. I dressed and rushed for the door 3 times, returning for my phone, then my keys. Somehow I was still the first to unlock the clubhouse for a small group of groggy neighbors.

As more folks drifted in we grew to a sizable crowd. Helpful volunteers assisted with traffic, opened doors and set up chairs. Our recent training for this worked great. "Thanks" to all who helped!

Only in hindsight did I recognize my mistakes. The box of masks? Left behind at home. The girls delivering water? Probably should have been masked and seated. The hand sanitizer and wipes? Untouched.

Yet that's the reality of our current affairs. We revert to the old norm, and forget that Covid is still a killer, taking many more lives than tornados ever will.

I'm sure some of you question why we are limiting clubhouse activities. It's because our residents' health and welfare is more important than hosting groups who are probably no better at following the guidelines than I was during the tornado drill. Sadly, many of those still unvaccinated bristle at the suggestion they pose a risk to others. We forget that "life, liberty and the pursuit of happiness" must be balanced by the rights of others to the same. Responsible freedom puts the weak and vulnerable ahead of ourselves.

As we celebrate Independence Day, let's remember the sacrifices of the many who voluntarily gave up their freedom for others. My generation sang, "Find the cost of freedom, lying on the ground." Let's not equate a discarded face mask with the blood of real heroes. God Bless,

Phil
