

PET RULES for short term campers

Pets are welcome additions to our community, but require care to insure they are properly supervised. Please review these rules to ensure that you and your pet can abide by them. If not, do not bring your pet. Violations of these pet rules is grounds for expulsion without refund.

DOG REGISTRATION: All dogs must be listed on your camping reservation. A maximum of two (2) pets are allowed per short term camp site. First pet no charge. 2nd pet fee \$5/night. Dogs must wear a collar with valid license/rabies tags and a tag bearing the owner's name.

VISITORS WITH PETS: Short term campers may not have visitors bringing pets. Should a visitor arrive with a pet, it is your responsibility to ask them to remove the pet from the resort immediately.

APPROVED PETS

Any pet at Klines Resort must be considered a domesticated animal by the general populace and must be of the type that would normally stay inside resident's home. Any pet considered vicious or posing a threat to children or visitors is not permitted. Exotic pets, such as snakes and animals normally found in the wild, or animals which pose a health hazard, are not allowed.

Prohibited dog breeds include, but are not limited to, the following: Akita, Chow, American Staffordshire Terrier, Pit Bull, Rottweiler, Doberman Pinscher, Wolf Hybrids, Presa Canario, or a mix of any of these breeds. Any animal that has caused harm or has a record of previous biting is also unacceptable. A dog that barks aggressively at strangers or at other dogs is not allowed. Resort management reserves the right to judge the domesticity and temper of any animal kept as a pet and to require pet to be removed from the park if judged unacceptable by these standards.
