## SNOWPLOW REMINDERS

- **NO OVERNIGHT PARKING** allowed at clubhouse, on N. Beach Loop, Cherry Oak, North Center, or on the west alley.
- If >2" snow is forecast, everyone should park on the same side of street. On **Pleasant Ridge & South Center**, park on west side. On **Hammond Drive** park on south side.
- **CAUTION:** Plow truck makes frequent stops, turns, & back-ups. Avoid our blind spots & give us lots of room to work!
- If going away overnight, **do not leave your vehicle parked on street**. Either move vehicle to storage or leave a key with a neighbor who can move your car.

## Settings...

**Veterans Quilt:** I would like to express my appreciations to all the ladies who put so much time and talent into making this beautiful work of art. If you would like a closer look, stop by lot 227 and we will be happy to let you see it! *Steve & Judy Smith*

**Crochet & Knitting Club:** Join us Fridays 10 to noon! We make & provide lap robes to area nursing homes and assisted living centers, many with former Klines residents. We have supplies and are happy to teach you to knit or crochet. Come have fun with us!

**Thank you!** Mom was so touched by your cards, poems and well wishes as we celebrated her 90th. Your many expressions of love are very appreciated! *Phil & Tama*

**Wanted:** Volunteer to help alphabetize, de-clutter-ize, organize, and otherwise supervise clubhouse library for the winter months. Call Office: 649-2514

## Leaf Pick-up Reminders

It's time to get ready for the leaf crew! Have you picked up garden hoses? Lawn ornaments? Have you marked or removed tripping hazards, fire pits, etc?

Leaf pickup will begin in earnest in early November. Until then, please **do not pile leaves in the street.**

We recommend mulching leaves with your mower. If you wish to rake them yourself, please **bag leaves for pickup OR take them to the compost pile.** *Thanks*

## Cold Weather Reminders

Seasonal water supplies are being winterized. If you find the water shut off, please do not turn it back on!

- Seasonal residents: **Is your home scheduled for winterizing?** If you or someone else will be winterizing your home, did you tell the office?
- **Critter Check!** Secure skirting and fill gaps around home & sheds. Please do not feed strays!
- Is your **heat tape** plugged in and operating? Is pipe insulation secured down to the lower valve in crock?
- Are **hoses disconnected?** **Are unprotected hose lines** drained?
- If you have a **water filter** under your home, is it protected by heat tape & insulation?
- Does your **water supply crock** have a layer of insulation on top? (do not stuff inside crock)

**Thank You Squires!** We're saying goodbye to Don & Janet this month, as they move north to be closer to family. Don has been helping - often behind the scenes - for nearly 20 years. Thank you Don; you will be missed!
