## Phil's Corner **Think Safety!**

Ah summer... Fun Fun Fun! But nothing ruins the fun more quickly than an accident or injury. As the park returns to summer busy-ness, we all must do our part to keep everyone safe. You know what I'm going to say, but I'll say it again.

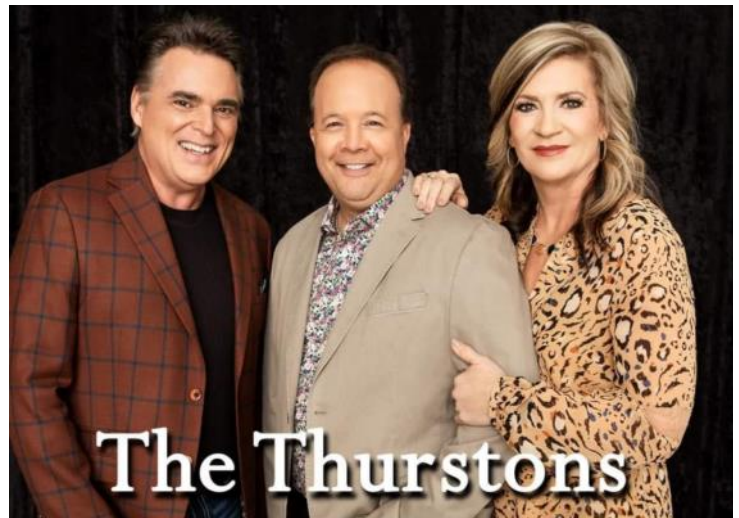

- **Golf Carts: (see pg 4)** An adult **MUST** be seated **BESIDE** an unlicensed or underage driver. Instruct guests on rules before letting them drive.
- **Playground & Beach:** Children under age 12 must be supervised. Do not allow roughhousing!
- **Clubhouse:** Minors under age 18 must be with a responsible adult at all times. No one under age 16 may use exercise equipment.
- **Dogs** must be on a tended leash when outside, with a responsible person on the other end! The owner is responsible to keep dog under their control, with no vicious behavior or threatening/annoying barking.
- **Roads are for vehicles:** Children should not play in the street. Pull to the side when stopping to talk. Use sidewalks where available.
- **Maintain Access for Emergency Vehicles:** Parked vehicles & golf carts must not obstruct traffic. Keep the middle blue space in front of clubhouse open. Keep path to beach & playground at lots 12-13 open. Don't crowd Lakeshore Dr.; park off the side of the pavement on the lake side.
- **10 MPH.... It's easy! Take your foot off the pedal and ride the break instead.**

God Bless,

*Phil*
