

Resort Report

Klines Resort March-April 2025

Pet Shelter Now Available

The Clubhouse basement storage room has been renovated for use as a pet shelter during tornado warnings. The room has been prepped with a new floor and some heavy duty shelving for pet carriers. Here's the plan:

1. When the siren sounds, train your pet to go into carrier.
2. Take them by golf cart via the path past the tennis court, or by car to the lower clubhouse parking lot.
3. Deliver your pet in carrier to the storage room door. This is the **outside** basement door to the right of the double doors into the basement (near tennis court).
4. A volunteer will accept your pet carrier and place it on a shelf or the floor as space allows.
5. If you wish to remain with your pet, move to the back away from the door. Otherwise, leave your pet with the volunteer and go into the basement rec. room.
6. **Note: Max. 12 people** may stay in the pet shelter.

We realize this won't work for everyone, but we hope you will at least give it a try. We will have a practice drill on April 5th at 12:05 pm (when the siren sounds).

Park Ambassadors Wanted

We're looking for a few friendly folks to share their love and knowledge of the resort with new residents and seasonal campers. You can become a **Park Ambassador!**

"Ambassadors" will be trained to go over a list of park features and activities. Take them on a golf cart tour and show off our *magnificent* fish house, our *remarkable* recycling program, our *self-serve* golf course, and more! Don't worry, we will train you, give you a checklist, and help schedule.

Interested? Call the office to be added to the list for our training on Wed., April 23rd at 2 pm!

Please do not take compost to the old location by the woods.

Remove all plastics: pots, bags, hangers, etc.

Night Watch Volunteers Needed

Volunteers simply observe and report problems to the appropriate authorities. Just having someone there with a sign on the side of your vehicle is often all it takes to prevent mischief or worse.

Volunteers may also assist at the clubhouse during tornado warnings, and direct traffic at special events.

Interested? Call Bill DeDoes: 269-217-2233

Night Watch Volunteers: Meeting at CB March 25 at 10 am to review emergency procedures.
