Guest Writer Corner

90 Years or More by Jim Gleason Lot 284

Klines is a good place to live if you are 90 or more - Twenty four people who live at Klines Resort are 90 years or more. Dee Blair and John Hill lead the list at 94! Rev. John is still giving sermons and Dee is out working in her yard and still mows her own lawn! If you're out riding your golf cart, Frank Monroe will easily walk by you. I rise about 6:30 every morning and looking out my kitchen window I see Connie Jackson is already out working in her flower garden. What do these 24 people have in common?

1. A positive attitude
2. Looking forward to each new day
3. Always looking for ways to help each other and their friends, and they are surrounded at Klines by people who care and look out for them!

If you live to be 90, Klines is a good place to be! Many people will remember Jack Steele. Jack was full of life and married Jan at the age of 88. He was always at Saturday morning coffee with a joke or two. Jack lived to be 96, he loved two things: Jan and ice cream. My advice to you is, if you want to reach 90 or more, find some one or thing to love and eat more ice cream! Have a great day! Jim Gleason
